

2022  
**CHAMPIONS FOR CHILDREN**  
*a garden party*

### Build a basket for Champs!

You've no doubt heard of Build a Bear. Well this is Build a Basket. Please consider being a Basket of Hope participant for Champions for Children 2022. We want your creative juices to flow.

This is how it works!

#### What you will do:

1. On your own, or with friends, choose a basket type/level that works for you: Fair Market value minimum-choose from one of these three levels: **\$150, \$250 or \$500.**
2. Provide a suitable container; wrap it real nice with cellophane and a bow--☺ It could be wood, a decorative tin, a bucket or a traditional basket. (Include container value in your FMV estimate).
3. Deliver it to the HCEF office by **May 16, 2022 with a list of all items contained in your basket.**
4. **Get Creative**—and fill it! With items you have donated, create, or buy. A basket could be “What I learned & did during COVID”, literary delight, a traveler’s dream, patio party, gardener’s adventure; gamer’s play day, a puzzle and game day, etc. You get the idea. One volunteer suggested putting a personal note to the winner –as a way to connect during these times. It could include *gift cards* along with tangible items.

#### HCEF will:

1. Work with you on ideas! Suggest contents and PROVIDE some wine for you *if you wish. It can count towards your FMV minimum.* The value of the wine we give to you would be no more than \$30 for \$150 basket, \$50 for \$250 basket, and \$100 for \$500 basket.
2. Thank you profusely!
3. Round up people to bid on your basket! Lots of them!!
4. Put your name on our website as a **BASKET OF HOPE** donor.
